Section Conference 2008

Hosted By Osceola Lodge

The best OA event of the year is fast approaching. This year's Section Conference will be held on April 11-13, at Camp Flying Eagle in Bradenton FL. During this weekend Arrowmen from all over the state will gather at this historic event, hosted this year by Osceola Lodge. It is hard to list all of the great opportunities you will have at this year's Section Conference, games and activities have been prepared that will stimulate all of your interests, whether you like patch trading, playing games, or just hanging out and enjoying a puzzle or two, there is something for you. There will be displays by the Florida National Guard, US Army, United States Coast Guard, US Air Force, Manatee County Sheriff's Office K-9 unit & The Southern Manatee Fire and Rescue. Some of the training sessions on the schedule for this year's conference are: Reducing Your Ecological Footprint, History of Section/Area events, AC⁵ Squad Leader Prep Course, Who's Robert and Why is he in Order?, The Evolution of the Order, OA and Cub Scouting, Arrow of Light Crossover Ceremonies, Building a Lodge Budget, Ok... I am a Troop/Team Rep... Now What do I do?, Lodge Communications, Increasing Your Brotherhood Conversion, Dance Style Factors and Analysis, Group Dance Planning, Developing a Lodge Drum, Lane Stitch, Prehistory of Southeastern Indians, Silverwork, Pottery Making and Fingerweaving. For a complete list you will be able to refer to your registration materials provided when you check in at the conference. The Section S-4S Conference is a great opportunity for all Arrowmen to meet new friends from all over the state or to get reacquainted with old friends from other Lodges. So don't let this fun weekend pass you by! Look for all of this and more at Section Conference 2008, hosted By Osceola Lodge at Camp Flying Eagle in Bradenton FL.

Have you registered for Section Conference yet? If so, make sure to contact your Chapter Chief to secure a ride to Camp Flying Eagle.

Chiefly Speaking

Brothers,

On the weekend of April 11-13, Aal-Pa-Tah Lodge will be attending the annual Section Conference, where we will be competing in various kinds of Lodge competitions including the Best-All-Around Lodge Competition, the competition for the Spirit Award, the Publications Competition, Ceremonies Competitions for the best Ordeal, Brotherhood, and Vigil teams and individual parts, the Website Competition and the King's Cup Display Competition. It is never too late to help out with any of these activities. Help is always needed, both before and at the conference itself, so if you would like to be a part of these competitions and are unsure as to how, please contact me at Tadam711@aol.com.

At our June Service weekend we will be holding our annual Lodge Elections. There are no delegates or electoral college, this fact remains: In Aal-Pa-Tah Lodge each and every vote counts! In some recent elections, the entire election has come down to just a few votes. Please plan to be a part of the deciding the future of our Lodge and to register for the weekend by calling the council office at 561-694-8585. Fast Pass holders also need to call and let us know you are planning to attend.

The next Lodge L.E.C will be held on March 30th at the council office from 2pm to 4pm. All officers and advisors are required to attend and all other Arrowmen are encouraged to attend.

In other news, the OA was called upon to help with the cleanup at camp Tanah Keeta. Large machines were first brought in to sift through all of the contents of the lake, in order to remove the debris. After the sifting process was complete, Arrowmen from Aal-Pa-Tah Lodge moved in to collect all of the smaller pieces of plastic, metal and glass that were left behind by the large machines. The Order of the Arrow would like all Scouts and Scouters to know that the OA supports the Gulf Stream Council. Thank you to all Arrowmen involved with the cleanup.

Lodge Vice Chief of Program

Hey fellow Gators,
For all that went to Spring Powwow, thank you for attending, for all that did not, you missed a fun weekend. I would like to thank Zach Regan for planning such a fun weekend. We had the Hearts tournament, which was won by Justin Warnimont, the first ever Magic the Gathering tournament, won by Steven Feldman, a basketball competition and a "Chapter Ball" competition, both won by Coo-Wa-Chobee, Congratulations. Also, congratulations to our five new Vigil Honor Members. The next event we have is Section Conference. This is a weekend you will not want to miss, it is packed with fellowship and fun, see the front page for details. Section Conference is also the time when we get to prove to the other Lodges in Florida that we are the best Lodge around, make sure to attend to help our Lodge in the various competitions. We hope to see you all there.

In WWW,
Ian McKay

Lodge Treasurer

Dear Arrowmen,
As your Lodge Treasurer, I have an update from the Lodge Box. If you purchased a Fast-Pass, then you have already heard, but we are now in possession of the '08 Event patches and the '08 Back Patch. Get yours now as there are only 200 in stock (200 back patches and 200 centers for the event patches). If you're lazy (or just don't show up to weekends) and haven't finished your 2007 year set, you better hurry. The 2007 items are going fast and are on the verge of selling out. As far as Section Conference Items, you must send in the order form which was mailed to you, or you can take a chance with purchasing them at the Conference itself.

Yours in Scouting,
Justin Warnimont

Lodge Historian

Aal-Pa-Tah Arrowmen, are you ready for Section Conference? I sure am. Make sure that you do not miss out on one of the best weekends of the year. This issue of the Gator Tales will provide us with more points toward the Best All Around Lodge Competition and for the Publications Competition. As for Historian, alterations are still being made on the King's Cup display to make certain that we will win this year. Between these two activities, I have a lot going on, if anyone could spare time on an upcoming Saturday or during Section Conference Weekend, please email me at sal@gatortales.org, your help will be greatly appreciated.

In WWW,
Salvatore Sodano

Lodge Vice Chief of Service

In February, the OA was asked to serve the meals at the Council Banquet, with 13 Arrowmen in attendance, the OA members present served while wearing their Class A and OA sash. Thank you to all those who served.

Plans are in action for the next SAW event and the opportunity for the OA to help once again.

All Chapter Chiefs need to send a report on how many man hours of community service were performed to Tadam711@aol.com. Thank you.

The next service opportunity for our Lodge will be the Service weekend on May 30-June 1. It will not be long until the fall Ordeal weekends. Once again we shall be inducting a new class of Ordeal members.

Lodge Secretary

My Brothers of Aal-Pa-Tah Lodge, I am happy to announce that this is the final Gator Tales Issue that we need in order to fulfill the requirement in the Best All Around Lodge Competition at this year's Section S-4S Conference. A very big thanks goes out to Sal, the proofing team and the leadership of the Lodge for making this happen. The Lodge website, www.aal-pa-tah237.com, is still up and running. We have started to add pictures from all past Lodge weekends, and we are also in the process of making the website the best at Section Conference for the second year in a row. If you would like to help out either with the Gator Tales or the website, please feel free to contact me at (561)-635-1626 or at mgrove2@fau.edu.

A Look Back

Lodge Advisor David Weda (an unauthorized biography)

David Weda started Boy Scouting in Troop 132, Palm Beach Gardens with Scoutmaster George Buck. As our luck would have it, by 1979 he had joined the Lodge and became an active member. Even as a youth, David was never noted for his flair. Rather, his leadership style was quiet and persistent. Perhaps the word that best describes David as a Lodge leader is stoic.

He was respected for this honesty; and then as now everything he did was done to the best of his ability, by following the established rules. During a period of crisis at a Lodge Key Three Meeting in the '80s, the Lodge Chief stated that we really needed someone whose honesty and integrity was known to everyone in the Lodge. The Council Executive said, and without any hesitation that there was only one person among the young or old Arrowmen who had that kind of creditability—David Weda. Everyone agrees that he was, of course, right in his conclusion. Even to this day David enjoys that distinction.

By the mid 80's, David had joined the Hitchiti Dancers. During that time he and his longtime friend John Parks were the only Straight Dancers in our Lodge. He wore an outfit which he had basically rebuilt from an old group dance outfit used for a Seneca Dance at the previous NOAC. It was a red and blue Revolutionary War style military uniform with lots of flaps and gold buttons--somehow the military posture seemed appropriate for David. His headdress was a sort of a mess bustle on the top of his head. His height with additional height of the headdress probably put him close to 7 feet tall. John Parks' outfit was almost identical. They always danced side by side and it was rather comical because they were like "Big Mo/Little Mo" with John being over a foot shorter. David was indeed a good dancer, but just a little stiff, which happens to work very well for a Straight Dancer. That year David won 1st place and John took 2nd place in the Section Conference competition.

David's commitment to the Lodge continued to grow and in 1985 he was given the Vigil Honor. Then in 1987, the Founders' Award recipients for the Lodge were David Weda and Barry Ekle. Over the years these two friends have worked together on numerous occasions for Lodge, Section, and NOAC events and projects.

By the 1990's, David and a group of his friends including Kevin Murphy were instrumental in the establishment and building, literally from the ground up, of the first COPE and Climbing programs in the Council. An initial climbing wall was constructed just past the Timuqua campsite, which was then used for several years. Later, when new BSA standards required a replacement, David was again instrumental in not only the construction of what became our current tower, but as an employee of FPL, he was successful in securing the poles. No stranger to Camp projects, David was also part of the crews that built the Health Lodge, Friend's House, Low COPE Course, and the Staff Dorms. Through all of this, David remained a quiet man behind the scenes, not seeking credit for all that he had personally done.

When David came home from college during his first year working on an Industrial Engineering Degree at the University of Miami, he and a young lady friend came for a visit. At some point in the conversation it was mentioned that you could always count on David to know the correct thing to say and do. The young lady commented on that observation by saying that among her friends he was known as "M&M." However, the association between David and the popular candy was not obvious. Yet it was clear that to her the letters represented a sincere compliment. Later, as the story was repeated at Lodge functions, it always received a good laugh and a number of people enjoyed calling David by his newfound title, "Mr. Manners".

David Weda, is not only an Eagle Scout and a patch collector but also what might be called a patch cataloger. After leaving university, David joined the team at FPL, where he remains employed today. For years he has been a caring Scout Leader, and now more recently he is a caring father of two. Plan now to start looking for David at some of those Blue and Gold events in about 2015.

**From all of us at Aal-Pa-Tah Lodge, Thank You Mr. Weda,
for all that you have done for the OA and for Scouting.**

Thanks to all that came to Spring Powwow. You guys made this weekend another successful one. I'll speak for everyone when I say thank you to all the dancers that came out and danced at the Powwow Saturday night and an extra special thanks to Sid and the gang from the Red Bird Jrs. Scoutreach Mentoring Day

It's time again for Aal-Pa-Tah's Scoutreach Mentoring Day! This year it will be held at it's new permanent location Tanah Keeta Scout Reservation on May 17, 2008. This event gives every Lodge member the chance to give back to his fellow Scouts. So come out and have a great time mentoring the youth of the Gulf Stream Council.

Please call the council service center and reserve your spot today! You must pre-pay the event fee of \$10 which includes a patch, by May 8th, and as always, members must be dues paid to participate in Lodge events. Payment can be made in person, by mail, or by phone with a credit card (VISA/MC/AMEX/DISC) at (561)694-8585 ext 234. Sorry, but unfortunately, Mentoring Day is NOT covered by Fast Pass.

"Relay for Life"

Brothers, Aal-Pa-Tah Lodge has committed to helping out in service to the American Cancer Society's "Relay for Life" by having our Chapters assist at the relays and selling a special "Aal-Pa-Tah Relay for Life" patch to support the efforts to find a cure for Cancer. Chapters are encouraged to join up with the Relay for Life's in their local communities. This will be our most ambitious Community Service Project ever for Aal-Pa-Tah Lodge. Come on out and get involved! Contact Adam Taft for more information on Relays in your local community!

The Food Guys

The Service Weekend is fast approaching and the planning for the hearty appetites of Aal-Pa-Tah's Arrowmen is underway. We are thinking that this weekend will be given to the Italians. Italian fried dough, Italian potato salad, Italian meatloaf, Porcupine meatballs, Italian pizza bread, Italian corn balls, and other things that start with Italian. Come for the weekend, provide the service we are known for, and we will send you home stuffed full. It's our job. Yes, a tough job, but we're ready to do it.

Speaking of jobs, this year in November, Aal-Pa-Tah is hosting the S-4S Section Seminars. We in the kitchen are considering cooking each meal from a different continent: 2 cracker barrels, 2 breakfasts, 1 lunch, 1 dinner. We know that one continent will be left out, so unfortunately Penguin Soufflé and Antarctic Ice Water will not be on the menu. Also the Gator Grille will be operating long hours and we will need every Chapter's help. It's a great opportunity for the Lodge to make some extra money and we need that with NOAC09 just around the corner.

Come, provide some service, eat with us, and have a load of fun.

Chas Carlson

ARROWCORPS⁵

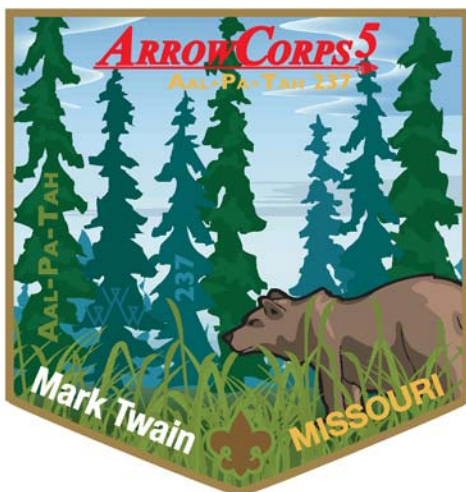

A HIGHER ADVENTURE

Want to camp at a National Forest for a week, meet Arrowmen from around the country and have the time of your life? If so, then you want to go to ArrowCorps⁵.

Next summer, 5000 members of the Order of the Arrow and the U.S. Forest Service will team up to provide service to five sites across the country over five weeks. This national endeavor is called ArrowCorps⁵ and will be one of the most ambitious projects the Order has ever undertaken. The goal is to have a thousand Arrowmen at each site to provide cheerful service to our national forests. One of our contingents will be at the George Washington and Jefferson National Forest located north of Covington Virginia, June 21- 28. There we will be constructing forty-nine miles of multi-use trail and making campsite improvements. Recreational opportunities include whitewater rafting, fishing, mountain biking and nearby historical sites. Also, there is a second contingent traveling to the Mark Twain National Forest in Missouri on June 7-14 which T.K. Summer Camp Staff members will be able to attend. A \$100 deposit will hold your spot. The estimated cost is \$295 (plus travel), which may change depending on fundraising opportunities. Additional information is available at: www.event.oa-bsa.org/events/arrowcorps5. The Lodge is providing scholarships to help some members attend this trip, but these opportunities are few and go fast. All OA members are encouraged to attend, contact Adam Taft at Tadam711@aol.com for information on how to sign up for this once in a lifetime opportunity.

The Aal-Pa-Tah ArrowCorps⁵ Delegate patches (*shown here*) will be available for purchase at the Lodge Service Weekend May 30 - June 1.

A-Bani-Ki

Osceola District

My Fellow Brothers,

The A-Bani-Ki elections have been progressing nicely, and I am very happy to add more members to our Chapter and Lodge. We have been progressing steadily as a Chapter to reach our communication goals that I have explained in my past letters. Activity in the Chapter has a current upward trend as more and more Troops (and Scouts) get reminded as to what the OA really is about by the election teams during their speeches. We still hold our Chapter meetings at the District Round Table on the first Monday of every month. Any Arrowmen in A-Bani-Ki is welcome to attend! That meeting is the time to meet your OA leaders one-on-one as well as ask any questions, or pitch any ideas that you may have, to myself and my leadership team. The Chapter website is in its development and the brainstorming stage as of this letter. We hope that this new site, as well as the new mass email communication, will truly bring all A-Bani-Ki news and activities to one central home front. This project will take some time to complete, so we all must remain patient. Please feel free to contact me at any time with any questions/comments/concerns you may have. A-Bani-Ki and our Lodge is based on your support and involvement; we are always available to serve the needs of those Scouts that are in the OA.

Hi all, Dutchee here. Wow Spring Powwow was a blast with lots of good seminars, fun chapter competitions and a powwow Saturday night. A special thanks to our own chapter advisor Mr. Steve Gagne for being my Advisor for the weekend. Also, I would like to take this opportunity to ask any and all chapter members to come out and join our Native American color guard. Mr. Gagne has several outfits that he is willing to let anyone who is interested wear for the color guard. Finally, Chapter meetings are held at the church of the Latter Day Saints, in Wellington, on the second Thursday of the month. Hope to see you all at Section Conference.

Coo-Wa-Chobee

Manatee District

Hello to all of Aal-Pa-Tah Lodge. It feels good to again be sitting a top the Lodge after the past weekend. In case you missed Spring Powwow, you'd have to be crazy if you did, Coo-Wa-Chobee once again dominated in the Chapter Competitions as well as having the largest Chapter attendance at the weekend! It was a weekend for the ages: fun, friendship, and fellowship were all in the air, and the Hitchiti performance was phenomenal! A big thanks to Zack Regan for planning an awesome weekend. I am also happy to announce that three out of the five newest Vigil Honor members, Mike Grove, Sal Sodano, and Frank Taft, are all from Coo-Wa-Chobee, congratulations! The next event on the calendar for our Lodge is the 2008 Section S4-S Conference, hosted by Osceola Lodge #564. Section Conference is being held at Camp Flying Eagle, in Bradenton, Florida on April 11-13, 2008. I urge all Lodge members, especially Coo-Wa-Chobee members, to attend. It is going to be a weekend of great fun! On Wednesday, March 19, 2008, Coo-Wa-Chobee held its first annual Bowling Tournament! It was a night of fun and competition. In case you missed it, the team of Mike Grove, Justin Warnimont, and Bobby Weil took home the gold. Way to go! We are still averaging 20-25 members at our Chapter meetings. We meet at the Manatee District Round Table meeting at Lakeside United Methodist Church at 7:00pm, on the second Monday of each month. I urge all members in the Coo-Wa-Chobee Chapter to attend our monthly meeting. "He alone is worthy to wear the Arrow who will continue to serve his fellow man," Allowat Sakima.

Greetings to all you Gators out there. Yet another year is about to pass with me as Chapter Chief and we are still the "Number One" Chapter in Aal-Pa-Tah Lodge. We are busy preparing books and a slide show for the "Best Chapter" completion to be presented at the Service Weekend. We are hoping to win it for the third year in a row. Lowaneu-Mawat is going to hold elections at the Mega Show in preparation for the Service Weekend. Congratulations to all the new Vigil brothers. The Lodge has entrusted you with the highest honor it can. For all our brothers, come to all the Lodge activities and help make Aal-Pa-Tah better than ever. Lowaneu-Mawat is looking forward to the upcoming Section Conference at Camp Flying Eagle. We currently have at least ten brothers who have committed to going and having a great time. The weekend will be fun with seminars, lodge competitions, shows, food, fellowship and just plain having a blast. I have not missed one Conference since I did my Ordeal and don't plan to miss any. It's the next best thing to NOAC. Lowaneu-Mawat meets the second Tuesday of each month at the First United Methodist Church in Vero Beach at 7PM. Our room is on the 3rd floor next to the elevator. Come and see what it is all about and maybe you will win the door prize. Information is put out each meeting that your Troop and other OA guys might like to know. In closing, I hope all you brothers out there show up at Section Conference, MEGA Show and the Service Weekend. You were chosen by your Troop to represent them, gather Scouting ideals and bring it back to your Troop. Get active and give back to the Scouts who elected you to be one of the best into Scouting's Honor Society, the Order of the Arrow.

Greetings Brothers,

Oi-Ya-Tah Chapter is glad to announce that we have completed our 2008 Elections and have elected at least 16 new Ordeal Candidates to the O.A. Also, we are gearing up to help with the Port St Lucie and Indrio Area "Relay for Life". Our Chapter will assist at these relays and will be selling the new Aal-Pa-Tah Lodge "Relay for Life" patches as a way to provide a great community service. Also we are encouraging all Chapter members to join us at Section Conference on April 11-13. We do need more participation from the Arrowmen of Oi-Ya-Tah Chapter at Lodge and Section events, our turn-out for the Spring Powwow weekend was not what we are used to and this is a little disappointing. Osceola

Lighthouse District

Fellow chapter members,

Attendance at Spring Powwow was sub-par and brought our membership to a new low. Over the course of the last few months I have learned and observed many new techniques for creating activities that are fun and recurring, however all of these events and activates require people to show up. From a Chapter bowling night to our needed Chapter day of service, people need to come and support our Chapter. Numerous activity ideas have been introduced and are in the planning stages, but input from members is a required component that, until now, has been missing. Therefore, call or email me if you have a desire to begin to help run and set up these activities or even to let me know of any ideas you have. Our elections are running smoothly and on schedule, with just four Troops left to hold their elections. If you have any questions or concerns regarding your Troop's elections please let me know so that they can be resolved in a timely manner. Also, Troop representatives are being contacted and located as we conduct elections. If you are a Troop Representative remember to actively disseminate information to your fellow Arrowmen. Hopefully more members will wish to become active in the Chapter and the Lodge because it is ours, it can not run itself, so step up, come help out and at the same time have some fun.
