Spring Powwow 2009

Camp Tanah Keeta

Hello Gators,

A few months ago when I was given the opportunity to be Spring Powwow chairman I told you all that I was going to give you all a Powwow like you have never seen and that is exactly what I am going to do. Seminars that guys like us want to go to, dancing, drumming seminars that are fun and taught by people who know how to teach what they are teaching you. A museum featuring many different outfits from many different styles of dance. The food, the fun, and the Powwow will be an awesome experience and a weekend you will not want to miss. I personally have a passion for the Native American portion of our Order and can assure you that myself along with all the Arrowmen that will be helping me will be working our hardest to bring you a Spring Powwow to remember for a long time. If you miss this weekend then you will be missing out on fun, fellowship, and the chance to experience the Native American like never before. Also the Powwow on Saturday night will be one event you will not want to miss. The event will feature the well respected Red Bird Jr. drum as host and a vast array of dancers in colorful regalia. I can assure you that this is a weekend you will not want to miss. So drop all your plans, keep your calendar clear and mark the date for SPRING POWWOW 2009.

Chiefly Speaking

My Brothers,

In case you missed it, Section Seminars was a huge success! There were over 350 Arrowmen from around Florida and Southern Georgia (155 of which were from our Lodge), awesome seminars, fantastic food, a spectacular powwow, and a 237 Surprise to top it all off. The word after Seminars was: it was one of the best Section Seminars that our Section has seen! A special thanks to Bobby Weil and Mr. Brian Morgan for putting the event together, and to the Aal-Pa-Tah Brothers who came out to help make Section Seminars one of the **Best Seminars, All Around!**

Just a short month after our wonderful Section Seminars, Aal-Pa-Tah Lodge held its annual Winter Fellowship at Camp Tanah Keeta. This Winter Fellowship was like no other before; it had all the fun and competitions of a Fellowship with the Cheerful Service of an Ordeal to go with it. Fantastic Seminars took place in the morning, while the traditional inter-Chapter competitions took place during the afternoon. A scavenger hunt took place throughout the weekend (Osceola Chapter won) and a powwow topped it all off on Saturday night. There was also great food as always and a 237 Surprise like no other! Thirteen new members were inducted into the Order and fifteen Brothers went through their Brotherhood, which exceeded our 30% conversion rate for the year. Thank you to Ian McKay and everyone who came out to make Winter Fellowship one for the ages.

The annual Lodge Banquet was held at Jupiter High School on January 10, 2009. It was a night for the Lodge to come together and celebrate the accomplishments of 2008. There were patch auctions (both live and silent), raffle prizes, wonderful food from C.R. Chicks, and of course the coveted awards. All of the Chapter Chiefs, their advisors and Lodge Officers were recognized for their service to the Lodge as well as all of the weekend chairmen from 2008. Coo-Wa-Chobee Chapter was recognized as the **Best All Around Chapter**, and Mr. David Weda was recognized for his service as Lodge Advisor. Justin Warnimont received the Lodge Advisor's Award and Mr. Harlin Pierce received the Founder's Award. Aal-Pa-Tah Lodge also recognized two brothers with the James E. West Fellowship, Mrs. Cindy Hall and Mr. David Smith. And for the first time at Banquet, Aal-Pa-Tah Lodge called out a Vigil Honor class. Two-thousand and nine's class includes; Oakley Hammond, John Keltner, Ben Pendleton, Dillon Pettyjohn, Elliott Taft, Bobby Weil, Trina Carnes, Carl Fox, Jeff Isaac, Pinnie Oliver, Lynn Shea, and Greg Soles. Congratulations and thank you to everyone for a wonderful and successful 2008.

The next event for our Lodge is Spring Powwow, which will be held at Camp Tanah Keeta on March 6-8, 2009. Walter Arnett and the Hitchiti Dancers are working on the plans for the weekend as we speak. It's going to be a fun weekend with different Native American seminars and activities for all to enjoy. It's not a weekend to miss.

The following months for Aal-Pa-Tah Lodge will bring great fun and fellowship to all of its members. I urge each and every single Arrowmen to come and participate at Spring Powwow. In doing so it will allow all of us to grow and flourish into what Aal-Pa-Tah is, the **Best Lodge, All Around!**

In Cheerful Service,

Michael Grove

2008—2009 Aal-Pa-Tah Lodge Chief

Lodge Vice Chief of Service

Dear fellow Arrowmen,

Since the beginning of this term, our lodge has done over 4,000 service hours, for two of our council's camps and the community at large during our 'One Day of Service.' I wanted to thank each and every Lodge member for their hard work and dedication.

January 10th was our Lodge's annual Banquet, at this event we had 'give-aways', great food, awards, patch auctions as well as fun. I am glad to see everyone who came out for the weekend. Don't forget that besides Spring Powwow and Section Conference, we have Mentoring Day coming up on May 16th. If you would like to help please let Oakley Hammond or myself know.

Once again, thank you for your hard work, and I hope to see everyone at Banquet.

The past Winter Fellowship was amazing, and I encourage all of you to head over to the Lodge Website and check out the pictures. If you have any pictures, I encourage you to upload them on our new website in the member's area. I look forward to seeing everyone on March 6th for Spring Powwow. If you have ideas on how to improve the King's Cup Display or are interested in helping out, please contact me by email.

Lodge Vice Chief of Program

Hey Everyone,

This has been a great year so far. We had an awesome Section Seminars that was one of the best events that our Section has ever experienced. I wouldn't be surprised if they asked us to do it every year. Ha! If you didn't come to this great event, then you really missed out. I hope you'll come to Section Conference this year hosted by Timiquan Lodge. I've heard from some very good sources that this Conference will be awesome. Back to our amazing Lodge. The Winter Fellowship/Ordeal was a blast. Thank you Ian McKay for coming in and making that weekend fun for all that attended. If you didn't go to either Section Conference or Winter Fellowship then where are you? What else could be better than hanging with friends around a fire, sliding down a slip-n-slide, or playing a nice game of horse shoes? Thank you Mr. Taft for the great idea of putting a horseshoe pit right next to the Lodge Building, and thanks to all the people who helped build it. So can we get a shuffleboard court out back now? But seriously if your not coming out for these events please come at least to Spring Powwow! Headed up by fancy dancer extraordinaire Dutchee Arnett. This campout will be the best ever with seminars on Native American stuff, Ceremonies and Lodge Leadership. There will also be a sweet powwow at night with some great dancers and drummers. Lodge Banquet, Man that was an awesome banquet! And was that food delicious or not? Also, congrats to the new Vigil candidates. Last but not least come out to Summer Camp '09 its going to be a blast!

Sharing the Vision

“Quality Lodge 2008!”

I am very proud to announce that for the third year in a row our Lodge has achieved Quality Lodge Recognition. To qualify as a National Quality Lodge, the Lodge must achieve fifteen objectives that are set at the beginning of the year. Some of the objectives are: experience positive growth in its membership, complete service projects for the council camp, promotion of the council camping, high adventure and other outdoor programs, hold OA elections and conduct Lodge Leadership courses. I would like to thank each and every Arrowmen who has given their time, efforts, resources and advice to the advancement of our Lodge so that we may once again be a "Quality Lodge". Remember that we are less of a Lodge without you. Congratulations to each and every one of our Lodge members. You make it happen!

Section S-4 Seminars at Tanah Keeta!

Brothers,

This past November I attended my first ever Section Seminars. And let me tell you, if they have all been like this, I sure have been missing out on something great. But, or so I have heard, they have not all been like this, in fact not even on the same tier as this year's seminars. Leave it to the Best Lodge All Around to one up everyone else, right? Speaking of which, our work as host for this event was preceded by the big wins at Section Conference which cemented us in the minds of our fellow lodges of S-4 as a force to be reckoned with. As if they didn't know already?

We opened the weekend in a scene right out of a Norman Rockwell painting with all of our brothers around our new, and finally red, fire ring, with a speech by our Lodge Chief and Section Chief. And from that point on the good times didn't stop. There were dive-in movies, and climbing, and shotgun shooting, and basketball, and hearts, and swimming, and of course very informative seminars sprinkled throughout the day. I cannot even begin to account for all that went on during this weekend. The one thing I want to mention is that there was an awesome 237 surprise that took place at Fort Blanchard. What a blast it all was. We were able to close this magnificent event with a beautiful chapel service by our lodge advisor and bid farewell to our guests.

You can never beat the classics.

If you were not in attendance for this weekend, then you truly missed out on a lot. Next time that there is another event of this caliber, I suggest that you go out of your way to attend, you will not regret doing so.

All the hard work our lodge had put into the event was clearly visible. Whether it was in the fun-filled program, the excellent meals, or the general appearance of camp, we presented quality that will not be soon forgotten by the other lodges of our section. I finished my weekend by traveling around to all the campsites and making sure all the lodges got checked out, and you wouldn't believe some of the comments I received about the weekend, one leader even asking if we could host every year. So congratulations Aal-Pa-Tah and Thank you for making my first seminars what I am sure will be my best.

Yours in Brotherhood,

Bobby Weil

A Note from the Lodge Advisor

I have been speaking to several of you to seek your opinions on this before announcing the plans to the Lodge. The overall opinion has been very positive so we are going forward on the most ambitious endeavor to date for me as your Lodge Advisor. Our signature place at camp should be the place that has our name on it, the OA ring.

Now as you can see both time and weather has taken a toll on our OA ring. It is now time to update ("Make a New") our beloved OA ring. The plan is as follows: if you would like to purchase a bench and help with the overall renovation it would cost \$50 per bench. By buying a bench your name or Chapter or organization will be put on the bench. We will need approximately 75 new benches (we are adding a back row of benches) along with improving the appearance of the entire ring area. We will be using materials that will last longer than what was previously used. We also plan on putting backs on the added row of benches.

By talking to some of you first, I feel that by your response we can do this within the next year. So if you would like to help to restore the OA ring we will start taking money for the benches at check-in at Spring Powwow. if you have any concerns or comments, please feel free to contact me, Frank Taft Lodge Advisor, at 676-4977.

Who Am I? Answer: The picture was taken from the water front watch tower which no longer exists due to hurricane damage.

Lodge Banquet

Dear Fellow Gators,

If you missed the annual Lodge Banquet, then you missed a great night. There were awards, patch auctions, promotions and most of all, Give-a-ways!

We started our night out with a great silent auction, where hundreds of dollars worth of great Aal-Pa-Tah patches were sold to help raise our Campership fund for the next year. As the time ran out for auction, the competition among bidders was a show worth going to the Banquet to watch.

Then we moved into awards, where Coo-Wa-Chobee won Best All Around Chapter, congrats to Elliott Taft and his chapter. The James E. West Fellowship award was given to Cindy Hall and David Smith. Harlan Pierce was awarded the Founder's Award. Mr. Taft gave the Lodge Advisor's Award to Justin Warnimont. For the first time in our Lodge history, the Vigil Honor Candidates were announced.

Once again, our Lodge hosted a great Banquet on January 10th, where we gave out awards, raised money, sold patches and announced the 2009 Vigil Class. If you were unable to attend, join us for Spring Powwow on March 6-8, 2009, and until we meet again, be firm in the Brotherhood and safe.

Indian River District

On October 18th, 2008 Lowaneu Mawat conducted its One Day of Service doing clean up along side some roads by Camp Oklawaha and a grove for the Saint Johns Water Management. We worked 62 hours of service. Lowaneu Mawat also hosted a cleanup day for Camp Oklawaha the same day. We cleaned roads and trails. We also cut down more dead pine trees and eradicated some more Brazilian Pepper Trees. We had 129.5 additional hours of service worked. Council bought us all lunch of burgers and dogs.

Lowaneu Mawat had 19 Brothers attend Section Seminars. A good time was had by all. If you missed it you missed a good one. We are looking forward to Section Conference in April in Brooksville. Also we are looking forward to NOAC 09 in Indiana in August.

Winter Fellowship was headed up by our own Ian McKay. Great fun was had and a great amount of food was eaten. The cake eating contest was something to make you sick and the 237 Surprise was a marvel. It does not cost much to attend OA weekends. You get back so much more than you spend.

Our next Conservation Day is scheduled for Camp Oklawaha in April 2009. Any brother that would like to come and help is certainly invited and welcomed.

We are working with the Cub Scout Packs in Indian River District and have a District wide Crossover in February 2009 at Oklawaha during their Family Campout.

We continue to meet the 2nd Monday of each month during the District Roundtable. Attendance is still small but we are to increasing it every month.
